

Good afternoon! For those of you who don't know me, my name is Ethan Fauth and I'm excited to announce that I will be the director of Homestead Bible Camp for the summer of 2020. This summer my goal is to put together a staff that can work well together and produce a fun environment that's fully focused on spreading the gospel of Christ to as many children as we can this summer. If you're reading this letter, I would like to invite you to join the staff of H.B.C. this summer. I would ask that you pray about your decision to staff at the camp this summer as we are embarking on this adventure together. I've attended Homestead Bible Camp for many years as both staff and as a camper. A couple years ago I felt like God was calling me away from camp but over the last two years I've grown in many ways both spiritually and in maturity. As I've grown, I've been called back to camp and I'm super excited to start this camp season.

If you would like to join the H.B.C. 2020 team, please complete the included staff application and return it to me via mail or email. I look forward to hearing from you. This could be one of the best camp years to date and I hope you decide to be a part of it. If you have any questions or concerns, please feel free to contact me directly or you can call Michelle Kipp at 970-396-0945. Come join us on this adventure and let's see how God uses Homestead Bible Camp in the 2020 camp season. **All Applications are due by May 20<sup>th</sup> 2020.**

**Sincerely,**

**R. Ethan Fauth**
